

PROGRAM POLICY - CRISIS SERVICES

- 1 Staffing
 - 1.1 OPTIONS will have a 2:3 staff-to-person served ratio at the Crisis Services Program during waking hours and 1:3 staff to person served ratio during sleeping hours.
 - 1.2 Additional staff will be provided on an as needed basis based upon available funding.
- 2 Clinical Team
 - 2.1 The ID Team at the Crisis Services will also be referred to as the Clinical Team.
 - 2.2 The composition of the Clinical Team may include a combination of the following:
 - 2.2.1 person served
 - 2.2.2 administrator/service supervisor
 - 2.2.3 registered nurse
 - 2.2.4 behavioral specialist
 - 2.2.5 licensed psychiatrist
 - 2.2.6 neuropsychologist
 - 2.2.7 Crisis Services staff members
 - 2.2.8 Regional Center Service Coordinator
 - 2.2.9 family members as desired by the person served
 - 2.3 The goal of the Clinical Team is to:
 - 2.3.1 develop an individual service plan (ISP)
 - 2.3.2 identify pre-cursors to identified behavioral deficits or excesses
 - 2.3.3 develop strategies to help the person served reside in a community setting during challenging or difficult periods
 - 2.3.4 modify medical/psychological treatment during clinical team meetings
