Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility *Formulario de Reclamo de Compensación de Trabajadores (DWC 1) y Notificación de Posible Elegibilidad*

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Use the attached form to file a workers' compensation claim with your employer. **You should read all of the information below.** Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If you file a claim, the claims administrator, who is responsible for handling your claim, must notify you within 14 days whether your claim is accepted or whether additional investigation is needed.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Do this right away to avoid problems with your claim. In some cases, benefits will not start until you inform your employer about your injury by filing a claim form. Describe your injury completely. Include every part of your body affected by the injury. If you mail the form to your employer, use first-class or certified mail. If you buy a return receipt, you will be able to prove that the claim form was mailed and when it was delivered. Within one working day after you file the claim form, your employer must complete the "Employer" section, give you a dated copy, keep one copy, and send one to the claims administrator.

Medical Care: Your claims administrator will pay for all reasonable and necessary medical care for your work injury or illness. Medical benefits are subject to approval and may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, medicines, equipment and travel costs. Your claims administrator will pay the costs of approved medical services directly so you should never see a bill. There are limits on chiropractic, physical therapy, and other occupational therapy visits.

The Primary Treating Physician (PTP) is the doctor with the overall responsibility for treatment of your injury or illness.

- If you previously designated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
- If your employer is using a medical provider network (MPN) or Health Care Organization (HCO), in most cases, you will be treated in the MPN or HCO unless you predesignated your personal physician or a medical group. An MPN is a group of health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
- If your employer is not using an MPN or HCO, in most cases, the claims administrator can choose the doctor who first treats you unless you predesignated your personal physician or a medical group.
- If your employer has not put up a poster describing your rights to workers' compensation, you may be able to be treated by your personal physician right after you are injured.

Within one working day after you file a claim form, your employer or the claims administrator must authorize up to \$10,000 in treatment for your injury, consistent with the applicable treating guidelines until the claim is accepted or rejected. If the employer or claims administrator does not authorize treatment right away, talk to your supervisor, someone else in management, or the claims administrator. Ask for treatment to be authorized right now, while waiting for a decision on your claim. If the employer or claims administrator will not authorize treatment, use your own health insurance to get medical care. Your health insurer will seek reimbursement from the claims administrator. If you do not have health insurance, there are doctors, clinics or hospitals that will treat you without immediate payment. They will seek reimbursement from the claims administrator.

Switching to a Different Doctor as Your PTP:

- If you are being treated in a Medical Provider Network (MPN), you may switch to other doctors within the MPN after the first visit.
- If you are being treated in a Health Care Organization (HCO), you may switch at least one time to another doctor within the HCO. You may switch to a doctor outside the HCO 90 or 180 days after your injury is reported to your employer (depending on whether you are covered by employer-provided health insurance).
- If you are not being treated in an MPN or HCO and did not predesignate, you may switch to a new doctor one time during the first 30 days after your injury is reported to your employer. Contact the claims administrator to switch doctors. After 30 days, you may switch to a doctor of your choice if

Si Ud. se lesiona o se enferma, ya sea físicamente o mentalmente, debido a su trabajo, incluyendo lesiones que resulten de un crimen en el lugar de trabajo, es posible que Ud. tenga derecho a beneficios de compensación de trabajadores. Utilice el formulario adjunto para presentar un reclamo de compensación de trabajadores con su empleador. **Ud. debe leer toda la información a continuación.** Guarde esta hoja y todos los demás documentos para sus archivos. Es posible que usted reúna los requisitos para todos los beneficios, o parte de éstos, que se enumeran dependiendo de la índole de su reclamo. Si usted presenta un reclamo, el administrador de reclamos, quien es responsable por el manejo de su reclamo, debe notificarle dentro de 14 días si se acepta su reclamo o si se necesita investigación adicional.

Para presentar un reclamo, llene la sección del formulario designada para el "Empleado," guarde una copia, y déle el resto a su empleador. Haga esto de inmediato para evitar problemas con su reclamo. En algunos casos, los beneficios no se iniciarán hasta que usted le informe a su empleador acerca de su lesión mediante la presentación de un formulario de reclamo. Describa su lesión por completo. Incluya cada parte de su cuerpo afectada por la lesión. Si usted le envía por correo el formulario a su empleador, utilice primera clase o correo certificado. Si usted compra un acuse de recibo, usted podrá demostrar que el formulario de reclamo fue enviado por correo y cuando fue entregado. Dentro de un día laboral después de presentar el formulario de reclamo, su empleador debe completar la sección designada para el "Empleador," le dará a Ud. una copia fechada, guardará una copia, y enviará una al administrador de reclamos.

Atención Médica: Su administrador de reclamos pagará por toda la atención médica razonable y necesaria para su lesión o enfermedad relacionada con el trabajo. Los beneficios médicos están sujetos a la aprobación y pueden incluir tratamiento por parte de un médico, los servicios de hospital, la terapia física, los análisis de laboratorio, las medicinas, equipos y gastos de viaje. Su administrador de reclamos pagará directamente los costos de los servicios médicos aprobados de manera que usted nunca verá una factura. Hay límites en terapia quiropráctica, física y otras visitas de terapia ocupacional.

El Médico Primario que le Atiende (Primary Treating Physician- PTP) es el médico con la responsabilidad total para tratar su lesión o enfermedad.

- Si usted designó previamente a su médico personal o a un grupo médico, usted podrá ver a su médico personal o grupo médico después de lesionarse.
- Si su empleador está utilizando una red de proveedores médicos (*Medical Provider Network- MPN*) o una Organización de Cuidado Médico (*Health Care Organization- HCO*), en la mayoría de los casos, usted será tratado en la *MPN* o *HCO* a menos que usted hizo una designación previa de su médico personal o grupo médico. Una *MPN* es un grupo de proveedores de asistencia médica quien da tratamiento a los trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si su tratamiento es cubierto por una *HCO* o una *MPN*. Hable con su empleador para más información.
- Si su empleador no está utilizando una *MPN* o *HCO*, en la mayoría de los casos, el administrador de reclamos puede elegir el médico que lo atiende primero a menos de que usted hizo una designación previa de su médico personal o grupo médico.
- Si su empleador no ha colocado un cartel describiendo sus derechos para la compensación de trabajadores, Ud. puede ser tratado por su médico personal inmediatamente después de lesionarse.

Dentro de un día laboral después de que Ud. Presente un formulario de reclamo, su empleador o el administrador de reclamos debe autorizar hasta \$10000 en tratamiento para su lesión, de acuerdo con las pautas de tratamiento aplicables, hasta que el reclamo sea aceptado o rechazado. Si el empleador o administrador de reclamos no autoriza el tratamiento de inmediato, hable con su supervisor, alguien más en la gerencia, o con el administrador de reclamos. Pida que el tratamiento sea autorizado ya mismo, mientras espera una decisión sobre su reclamo. Si el empleador o administrador de reclamos no autoriza el tratamiento, utilice su propio seguro médico para recibir atención médica. Su compañía de seguro médico buscará reembolso del administrador de reclamos. Si usted no tiene seguro médico, hay médicos, clínicas u hospitales que lo tratarán sin pago inmediato. Ellos buscarán reembolso del administrador de reclamos.

Cambiando a otro Médico Primario o PTP:

- Si usted está recibiendo tratamiento en una Red de Proveedores Médicos

your employer or the claims administrator has not created or selected an MPN.

Disclosure of Medical Records: After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

Problems with Medical Care and Medical Reports: At some point during your claim, you might disagree with your PTP about what treatment is necessary. If this happens, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, the steps to take depend on whether you are receiving care in an MPN, HCO, or neither. For more information, see "Learn More About Workers' Compensation," below.

If the claims administrator denies treatment recommended by your PTP, you may request independent medical review (IMR) using the request form included with the claims administrator's written decision to deny treatment. The IMR process is similar to the group health IMR process, and takes approximately 40 (or fewer) days to arrive at a determination so that appropriate treatment can be given. Your attorney or your physician may assist you in the IMR process. IMR is not available to resolve disputes over matters other than the medical necessity of a particular treatment requested by your physician.

If you disagree with your PTP on matters other than treatment, such as the cause of your injury or how severe the injury is, you can switch to other doctors as described above. If you cannot reach agreement with another doctor, notify the claims administrator in writing as soon as possible. In some cases, you risk losing the right to challenge your PTP's opinion unless you do this promptly. If you do not have an attorney, the claims administrator must send you instructions on how to be seen by a doctor called a qualified medical evaluator (QME) to help resolve the dispute. If you have an attorney, the claims administrator may try to reach agreement with your attorney on a doctor called an agreed medical evaluator (AME). If the claims administrator disagrees with your PTP on matters other than treatment, the claims administrator can require you to be seen by a QME or AME.

Payment for Temporary Disability (Lost Wages): If you can't work while you are recovering from a job injury or illness, you may receive temporary disability payments for a limited period. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

Stay at Work or Return to Work: Being injured does not mean you must stop working. If you can continue working, you should. If not, it is important to go back to work with your current employer as soon as you are medically able. Studies show that the longer you are off work, the harder it is to get back to your original job and wages. While you are recovering, your PTP, your employer (supervisors or others in management), the claims administrator, and your attorney (if you have one) will work with you to decide how you will stay at work or return to work and what work you will do. Actively communicate with your PTP, your employer, and the claims administrator about the work you did before you were injured, your medical condition and the kinds of work you can do now, and the kinds of work that your employer could make available to you.

Payment for Permanent Disability: If a doctor says you have not recovered completely from your injury and you will always be limited in the work you can do, you may receive additional payments. The amount will depend on the type of injury, extent of impairment, your age, occupation, date of injury, and your wages before you were injured.

Supplemental Job Displacement Benefit (SJDB): If you were injured on or after 1/1/04, and your injury results in a permanent disability and your employer does not offer regular, modified, or alternative work, you may qualify for a nontransferable voucher payable for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law.

Death Benefits: If the injury or illness causes death, payments may be made to a

(Medical Provider Network- MPN), usted puede cambiar a otros médicos dentro de la MPN después de la primera visita.

- Si usted está recibiendo tratamiento en un Organización de Cuidado Médico (Healthcare Organization- HCO), es posible cambiar al menos una vez a otro médico dentro de la HCO. Usted puede cambiar a un médico fuera de la HCO 90 o 180 días después de que su lesión es reportada a su empleador (dependiendo de si usted está cubierto por un seguro médico proporcionado por su empleador).
- Si usted no está recibiendo tratamiento en una MPN o HCO y no hizo una designación previa, usted puede cambiar a un nuevo médico una vez durante los primeros 30 días después de que su lesión es reportada a su empleador. Póngase en contacto con el administrador de reclamos para cambiar de médico. Después de 30 días, puede cambiar a un médico de su elección si su empleador o el administrador de reclamos no ha creado o seleccionado una MPN.

Divulgación de Expedientes Médicos: Después de que Ud. presente un reclamo para beneficios de compensación de trabajadores, sus expedientes médicos no tendrán el mismo nivel de privacidad que usted normalmente espera. Si Ud. no está de acuerdo en divulgar voluntariamente los expedientes médicos, un juez de compensación de trabajadores posiblemente decida qué expedientes serán revelados. Si usted solicita privacidad, es posible que el juez "selle" (mantenga privados) ciertos expedientes médicos.

Problemas con la Atención Médica y los Informes Médicos: En algún momento durante su reclamo, podría estar en desacuerdo con su PTP sobre qué tratamiento es necesario. Si esto sucede, usted puede cambiar a otros médicos como se describe anteriormente. Si no puede llegar a un acuerdo con otro médico, los pasos a seguir dependen de si usted está recibiendo atención en una MPN, HCO o ninguna de las dos. Para más información, consulte la sección "Aprenda Más Sobre la Compensación de Trabajadores," a continuación.

Si el administrador de reclamos niega el tratamiento recomendado por su PTP, puede solicitar una revisión médica independiente (*Independent Medical Review-IMR*), utilizando el formulario de solicitud que se incluye con la decisión por escrito del administrador de reclamos negando el tratamiento. El proceso de la IMR es parecido al proceso de la IMR de un seguro médico colectivo, y tarda aproximadamente 40 (o menos) días para llegar a una determinación de manera que se pueda dar un tratamiento apropiado. Su abogado o su médico le pueden ayudar en el proceso de la IMR. La IMR no está disponible para resolver disputas sobre cuestiones aparte de la necesidad médica de un tratamiento particular solicitado por su médico.

Si no está de acuerdo con su PTP en cuestiones aparte del tratamiento, como la causa de su lesión o la gravedad de la lesión, usted puede cambiar a otros médicos como se describe anteriormente. Si no puede llegar a un acuerdo con otro médico, notifique al administrador de reclamos por escrito tan pronto como sea posible. En algunos casos, usted arriesga perder el derecho a objetar a la opinión de su PTP a menos que hace esto de inmediato. Si usted no tiene un abogado, el administrador de reclamos debe enviarle instrucciones para ser evaluado por un médico llamado un evaluador médico calificado (*Qualified Medical Evaluator-QME*) para ayudar a resolver la disputa. Si usted tiene un abogado, el administrador de reclamos puede tratar de llegar a un acuerdo con su abogado sobre un médico llamado un evaluador médico acordado (*Agreed Medical Evaluator- AME*). Si el administrador de reclamos no está de acuerdo con su PTP sobre asuntos aparte del tratamiento, el administrador de reclamos puede exigirle que sea atendido por un QME o AME.

Pago por Incapacidad Temporal (Sueldos Perdidos): Si Ud. no puede trabajar, mientras se está recuperando de una lesión o enfermedad relacionada con el trabajo, Ud. puede recibir pagos por incapacidad temporal por un período limitado. Estos pagos pueden cambiar o parar cuando su médico diga que Ud. está en condiciones de regresar a trabajar. Estos beneficios son libres de impuestos. Los pagos por incapacidad temporal son dos tercios de su pago semanal promedio, con cantidades mínimas y máximas establecidas por las leyes estatales. Los pagos no se hacen durante los primeros tres días en que Ud. no trabaje, a menos que Ud. sea hospitalizado una noche o no puede trabajar durante más de 14 días.

Permanezca en el Trabajo o Regreso al Trabajo: Estar lesionado no significa que usted debe dejar de trabajar. Si usted puede seguir trabajando, usted debe hacerlo. Si no es así, es importante regresar a trabajar con su empleador actual tan

spouse and other relatives or household members who were financially dependent on the deceased worker.

It is illegal for your employer to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Resolving Problems or Disputes: You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your employer or claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) or unemployment insurance (UI) benefits. Call the state Employment Development Department at (800) 480-3287 or (866) 333-4606, or go to their website at www.edd.ca.gov.

pronto como usted pueda medicamente hacerlo. Los estudios demuestran que entre más tiempo esté fuera del trabajo, más difícil es regresar a su trabajo original y a sus salarios. Mientras se está recuperando, su *PTP*, su empleador (supervisores u otras personas en la gerencia), el administrador de reclamos, y su abogado (si tiene uno) trabajarán con usted para decidir cómo va a permanecer en el trabajo o regresar al trabajo y qué trabajo hará. Pago por Incapacidad Permanente: Si un médico dice que no se ha recuperado completamente de su lesión y siempre será limitado en el trabajo que puede hacer, es posible que Ud. reciba pagos adicionales. La cantidad dependerá de la clase de lesión, grado de deterioro, su edad, ocupación, fecha de la lesión y sus salarios antes de lesionarse.

Beneficio Suplementario por Desplazamiento de Trabajo (Supplemental Job Displacement Benefit- SJDB): Si Ud. se lesionó en o después del 1/1/04, y su lesión resulta en una incapacidad permanente y su empleador no ofrece un trabajo regular, modificado, o alternativo, usted podría cumplir los requisitos para recibir un vale no-transferible pagadero a una escuela para recibir un nuevo un curso de reentrenamiento y/o mejorar su habilidad. Si Ud. cumple los requisitos, el administrador de reclamos pagará los gastos hasta un máximo establecido por las leyes estatales.

Beneficios por Muerte: Si la lesión o enfermedad causa la muerte, es posible que los pagos se hagan a un cónyuge y otros parientes o a las personas que viven en el hogar que dependían económicamente del trabajador difunto.

Es ilegal que su empleador le castigue o despidan por sufrir una lesión o enfermedad laboral, por presentar un reclamo o por testificar en el caso de compensación de trabajadores de otra persona. Resolviendo problemas o disputas: Ud. tiene derecho a no estar de acuerdo con las decisiones que afecten su reclamo. Si Ud. tiene un desacuerdo, primero comuníquese con su empleador o administrador de reclamos para ver si usted puede resolverlo. Important Information about Medical Care if you have a Work-Related Injury or Illness Initial Written Employee Notification re: Medical Provider Network (Title 8, California Code of Regulations, Section 9767.12)

California law requires your employer to provide and pay for medical treatment if you are injured at work. Your employer has chosen to provide this medical care by using a Workers' Compensation physician network called a Medical Provider Network (MPN). This MPN is administered by **CompWest Insurance Company**. Your employers' workers' compensation carrier is **CompWest Insurance Company**. This notification tells you what you need to know about the MPN program and describes your rights in choosing medical care for work-related injuries and illnesses.

- **What is a MPN?**

A Medical Provider Network (MPN) is a group of health care providers (physicians and other medical providers) used by **your employer** to treat workers injured on the job. Each MPN must include a mix of doctors specializing in work-related injuries and doctors with expertise in general areas of medicine.

MPNs must allow employees to have a choice of provider(s).

- **How do I find out which doctors are in my MPN?**

The MPN contact listed in this notification will be able to answer your questions about the MPN and will help you obtain a regional list of all MPN doctors in your area. At minimum, the regional listing must include a list of all MPN providers within 15 miles of your workplace and/or residence or a list of all MPN providers within the county where you live and/or work. You may choose which list you wish to receive.

You can get the list of MPN providers by calling the MPN contact or by going to our website at: http://compwestinsurance.com/MPN_search_new.html

MPN Contact: You may always contact the MPN Contact if you need help or an explanation about your medical treatment for your work-related injury or illness.
Name: Karen Blitz, RN, MS, BSN, CCM
Title: Manager, Nurse Case Management
Address: P.O. Box 12859, Newport Beach, CA 92658
Telephone: 1-888-COMPWEST (1-888-266-7937)
Email: kblitz@compwestinsurance.com

You also have the right to a complete listing of all of the MPN providers upon request.

- **What happens if I get injured at work?**

In case of an emergency, you should call 911 or go to the closest emergency room.

If you are injured at work, notify your employer as soon as possible. Your employer will provide you with a claim form. When you notify your employer that you have had a work-related injury, your employer or insurer will make an initial appointment with a doctor in the MPN.

- **How do I choose a provider?**

After the first medical visit, you may continue to be treated by this doctor, or you may choose another doctor from the MPN. You may continue to choose doctors within the MPN for all of your medical care for this injury. If appropriate, you may choose a specialist or ask your treating doctor for a referral to a specialist. If you need help in choosing a doctor you may call the MPN Contact listed above.

- **Can I change providers?**

Yes. You can change providers within the MPN for any reason, but the providers you choose should be appropriate to treat your injury.

- **What standards does the MPN have to meet?**

The MPN has providers for the entire state of California.

The MPN must give you a regional list of providers that includes at least three physicians in each specialty commonly used to treat work injuries/illnesses in your industry. The MPN must provide access to primary physicians within 15 miles and specialists within 30 miles. If you live in a rural area there may be a different standard.

The MPN must provide initial treatment within 3 days. You must receive specialist treatment within 20 days of your request. If you have trouble getting an appointment, contact the MPN.

- **What if there are no MPN providers where I am located?**

If you are a current employee living in a rural area or temporarily working or living outside the MPN service area, or you are a former employee permanently living outside the MPN service area, the MPN or your treating doctor will give you a list of at least three physicians who can treat you. The MPN may also allow you to choose your own doctor outside of the MPN network. Contact your MPN for assistance in finding a physician or for additional information.

- **What if I need a specialist not in the MPN?**

If you need to see a type of specialist that is not available in the MPN, you have the right to see a specialist outside of the MPN.

- **What if I disagree with my doctor about medical treatment?**

If you disagree with your doctor or wish to change your doctor for any reason, you may choose another doctor within the MPN.

If you disagree with either the *diagnosis* or *treatment* prescribed by your doctor, you may ask for a second opinion from another doctor within the MPN. If you want a second opinion, you must contact the MPN and tell them you want a second opinion. The MPN should give you at least a regional MPN provider list from which you can choose a second opinion doctor. To get a second opinion, you must choose a doctor from the MPN list and make an appointment within 60 days. You must tell the MPN Contact of your appointment date, and the MPN will send the doctor a copy of your medical records. You can request a copy of your medical records that will be sent to the doctor.

If you do not make an appointment within 60 days of receiving the regional provider list, you will not be allowed to have a second or third opinion with regard to this disputed diagnosis or treatment of this treating physician.

Important Information about Medical Care if you have a Work-Related Injury or Illness

Initial Written Employee Notification re: Medical Provider Network (Title 8, California Code of Regulations, Section 9767.12)

If the second opinion doctor feels that your injury is outside of the type of injury he or she normally treats, the doctor's office will notify your employer or insurer. You will get another list of MPN doctors or specialists so you can make another selection.

If you disagree with the second opinion, you may ask for a third opinion. If you request a third opinion, you will go through the same process you went through for the second opinion.

Remember that if you do not make an appointment within 60 days of obtaining another MPN provider list, then you will not be allowed to have a third opinion with regard to this disputed diagnosis or treatment of this treating physician.

If you disagree with the third opinion doctor, you may ask for an Independent Medical Review (IMR). Your employer or MPN contact person will give you information on requesting an Independent Medical Review and a form at the time you request a third opinion.

If either the second or third opinion doctor agrees with your need for a treatment or test, you will be allowed to receive that medical service from a provider inside the MPN, including the second or third opinion physician.

If the Independent Medical Reviewer supports your need for a treatment or test you may receive that care from a doctor inside or outside of the MPN

- **What if I am already being treated for a work-related injury before the MPN begins?**

Your employer or insurer has a "Transfer of Care" policy which will determine if you can continue being temporarily treated for an existing work-related injury by a physician outside of the MPN before your care is transferred into the MPN.

If you have properly pre-designated a primary treating physician, you cannot be transferred into the MPN. (If you have questions about pre-designation, ask your supervisor). If your current doctor is not or does not become a member of the MPN, then you may be required to see a MPN physician.

If your employer decides to transfer you into the MPN, you and your primary treating physician must receive a letter notifying you of the transfer.

If you meet certain conditions, you may qualify to continue treating with a non-MPN physician for up to a year before you are transferred into the MPN. The qualifying conditions to postpone the transfer of your care into the MPN are in the box below.

Can I Continue Being Treated By My Doctor?

You may qualify for continuing treatment with your non-MPN provider (through transfer of care or continuity of care) for up to a year if your injury or illness meets any of the following conditions:

(Acute) An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a duration of less than ninety days. The treatment for your injury or illness will be completed in less than 90 days;

(Serious or chronic) Your injury or illness is one that is serious and continues for at least 90 days without full cure or worsens and requires ongoing treatment. You may be allowed to be treated by your current treating doctor for up to one year, until a safe transfer of care can be made. Completion of treatment shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the insurer or employer in consultation with the injured employee and terminated provider and consistent with good professional practice. Completion of treatment shall not exceed 12 months from the contract termination date.

(Terminal) You have an incurable illness or irreversible condition that is likely to cause death within one year or less. Completion of treatment shall be provided for the duration of a terminal illness.

(Pending Surgery) You already have a surgery or other procedure that has been authorized by your employer or insurer that will occur within 180 days of the MPN effective date, or the termination of contract date between the MPN and your doctor.

You can disagree with your employer's decision to transfer your care into the MPN. If you don't want to be transferred into the MPN, ask your primary treating physician for a medical report on whether you have one of the four conditions stated above to qualify for a postponement of your transfer into the MPN.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her report on your condition. If your primary treating physician does not give you the report within 20 days of your request, the employer can transfer your care into the MPN and you will be required to use a MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete transfer of care policy for more details on the dispute resolution process.

For a copy of the entire transfer of care policy, ask your MPN Contact.

- **What if I am being treated by a MPN doctor who decides to leave the MPN?**

Your employer or insurer has a written "Continuity of Care" policy that will determine whether you can temporarily continue treatment for an existing work injury with your doctor if your doctor is no longer participating in the MPN.

If your employer decides that you do not qualify to continue your care with the non-MPN provider, you and your primary treating physician must receive a letter of notification.

If you meet certain conditions, you may qualify to continue treating with this doctor for up to a year before you must switch to MPN physicians. These conditions are set forth in the box above, "**Can I Continue Being Treated By My Doctor?**"

You can disagree with your employer's decision to deny you Continuity of Care with the terminated MPN provider. If you want to continue treating with the terminated doctor, ask your primary treating physician for a medical report on whether you have one of the four conditions stated in the box above to see if you qualify to continue treating with your current doctor temporarily.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her medical report on your condition. If your primary treating physician does not give you the report within 20 days of your request, the employer can transfer your care into the MPN and you will be required to use a MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care into the MPN. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete Continuity of Care policy for more details on the dispute resolution process.

For a copy of the entire Continuity of Care policy, ask your MPN Contact. (Information on reverse)
