## Workers' Compensation Claim Form (DWC 1) & Notice of Potential Eligibility Formulario de Reclamo de Compensación de Trabajadores (DWC 1) y Notificación de Posible Elegibilidad

If you are injured or become ill, either physically or mentally, because of your job, including injuries resulting from a workplace crime, you may be entitled to workers' compensation benefits. Attached is the form for filing a workers' compensation claim with your employer. You should read all of the information below. Keep this sheet and all other papers for your records. You may be eligible for some or all of the benefits listed depending on the nature of your claim. If required you will be notified by the claims administrator, who is responsible for handling your claim, about your eligibility for benefits.

To file a claim, complete the "Employee" section of the form, keep one copy and give the rest to your employer. Your employer will then complete the "Employer" section, give you a dated copy, keep one copy and send one to the claims administrator. Benefits can't start until the claims administrator knows of the injury, so complete the form as soon as possible.

**Medical Care:** Your claims administrator will pay all reasonable and necessary medical care for your work injury or illness. Medical benefits may include treatment by a doctor, hospital services, physical therapy, lab tests, x-rays, and medicines. Your claims administrator will pay the costs directly so you should never see a bill. There is a limit on some medical services.

**The Primary Treating Physician (PTP)** is the doctor with the overall responsibility for treatment of your injury or illness. Generally your employer selects the PTP you will see for the first 30 days, however, in specified conditions, you may be treated by your pre-designated doctor or medical group. If a doctor says you still need treatment after 30 days, you may be able to switch to the doctor of your choice. Different rules apply if your employer is using a Health Care Organization (HCO) or a Medical Provider Network (MPN). A MPN is a selected network of health care providers to provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information. If your employer has not put up a poster describing your rights to workers' compensation, you may choose your own doctor immediately.

Within one working day after you file a claim form, your employer shall authorize the provision of all treatment, consistent with the applicable treating guidelines, for the alleged injury and shall continue to be liable for up to \$10,000 in treatment until the claim is accepted or rejected.

**Disclosure of Medical Records:** After you make a claim for workers' compensation benefits, your medical records will not have the same level of privacy that you usually expect. If you don't agree to voluntarily release medical records, a workers' compensation judge may decide what records will be released. If you request privacy, the judge may "seal" (keep private) certain medical records.

**Payment for Temporary Disability (Lost Wages):** If you can't work while you are recovering from a job injury or illness, for most injuries you will receive temporary disability payments for a limited period of time. These payments may change or stop when your doctor says you are able to return to work. These benefits are tax-free. Temporary disability payments are two-thirds of your average weekly pay, within minimums and maximums set by state law. Payments are not made for the first three days you are off the job unless you are hospitalized overnight or cannot work for more than 14 days.

**Return to Work:** To help you to return to work as soon as possible, you should actively communicate with your treating doctor, claims administrator, and employer about the kinds of work you can do while recovering. They may coordinate efforts to return you to modified duty or other work that is medically appropriate. This modified or other duty may

Si Ud. se lesiona o se enferma, ya sea físicamente o mentalmente, debido a su trabajo, incluyendo lesiones que resulten de un crimen en el lugar de trabajo, es posible que Ud. tenga derecho a beneficios de compensación de trabajadores. Se adjunta el formulario para presentar un reclamo de compensación de trabajadores con su empleador. Ud. debe leer toda la información a continuación. Guarde esta hoja y todos los demás documentos para sus archivos. Es posible que usted reúna los requisitos para todos los beneficios, o parte de éstos, que se enumeran, dependiendo de la índole de su reclamo. Si se requiere, el administrador de reclamos, quien es responsable por el manejo de su reclamo, le notificará sobre su elegibilidad para beneficios.

Para presentar un reclamo, llene la sección del formulario designada para el "Empleado," guarde una copia, y déle el resto a su empleador. Entonces, su empleador completará la sección designada para el "Empleador," le dará a Ud. una copia fechada, guardará una copia, y enviará una al administrador de reclamos. Los beneficios no pueden comenzar hasta, que el administrador de reclamos se entere de la lesión, así que complete el formulario lo antes posible.

**Atención Médica:** Su administrador de reclamos pagará toda la atención médica razonable y necesaria, para su lesión o enfermedad relacionada con el trabajo. Es posible que los beneficios médicos incluyan el tratamiento por parte de un médico, los servicios de hospital, la terapia física, los análisis de laboratorio y las medicinas. Su administrador de reclamos pagará directamente los costos, de manera que usted nunca verá un cobro. Hay un límite para ciertos servicios médicos.

**El Médico Primario que le Atiende-Primary Treating Physician PTP** es el médico con la responsabilidad total para tratar su lesión o enfermedad. Generalmente, su empleador selecciona al PTP que Ud. verá durante los primeros 30 días. Sin embargo, en condiciones específicas, es posible que usted pueda ser tratado por su médico o grupo médico previamente designado. Si el doctor dice que usted aún necesita tratamiento después de 30 días, es posible que Ud. pueda cambiar al médico de su preferencia. Hay reglas diferentes que se aplican cuando su empleador usa una Organización de Cuidado Médico (HCO) o una Red de Proveedores Médicos (MPN). Una MPN es una red de proveedores de asistencia médica seleccionados para dar tratamiento a los trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si su tratamiento es cubierto por una HCO o una MPN. Hable con su empleador para más información. Si su empleador no ha colocado un cartel describiendo sus derechos para la compensación de trabajadores, Ud. puede seleccionar a su propio médico inmediatamente.

Dentro de un día después de que Ud. presente un formulario de reclamo, su empleador autorizará todo tratamiento médico de acuerdo con las pautas de tratamiento aplicables a la presunta lesión y será responsable por \$10,000 en tratamiento hasta que el reclamo sea aceptado o rechazado.

**Divulgación de Expedientes Médicos:** Después de que Ud. presente un reclamo para beneficios de compensación de trabajadores, sus expedientes médicos no tendrán el mismo nivel de privacidad que usted normalmente espera. Si Ud. no está de acuerdo en divulgar voluntariamente los expedientes médicos, un juez de compensación de trabajadores posiblemente decida qué expedientes se revelarán. Si Ud. solicita privacidad, es posible que el juez "selle" (mantenga privados) ciertos expedientes médicos.

**Pago por Incapacidad Temporal (Sueldos Perdidos):** Si Ud. no puede trabajar, mientras se está recuperando de una lesión o enfermedad relacionada con el trabajo, Ud. recibirá pagos por incapacidad temporal para la mayoría de las lesiones por un periodo limitado. Es posible que estos pagos cambien o paren, cuando su médico diga que Ud. está en condiciones de regresar a trabajar. Estos beneficios son libres de impuestos. Los pagos

be temporary or may be extended depending on the nature of your injury or illness.

**Payment for Permanent Disability:** If a doctor says your injury or illness results in a permanent disability, you may receive additional payments. The amount will depend on the type of injury, your age, occupation, and date of injury.

**Supplemental Job Displacement Benefit (SJDB):** If you were injured after 1/1/04 and you have a permanent disability that prevents you from returning to work within 60 days after your temporary disability ends, and your employer does not offer modified or alternative work, you may qualify for a nontransferable voucher payable to a school for retraining and/or skill enhancement. If you qualify, the claims administrator will pay the costs up to the maximum set by state law based on your percentage of permanent disability.

**Death Benefits:** If the injury or illness causes death, payments may be made to relatives or household members who were financially dependent on the deceased worker.

**It is illegal for your employer** to punish or fire you for having a job injury or illness, for filing a claim, or testifying in another person's workers' compensation case (Labor Code 132a). If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

You have the right to disagree with decisions affecting your claim. If you have a disagreement, contact your claims administrator first to see if you can resolve it. If you are not receiving benefits, you may be able to get State Disability Insurance (SDI) benefits. Call State Employment Development Department at (800) 480-3287.

You can obtain free information from an information and assistance officer of the State Division of Workers' Compensation (DWC), or you can hear recorded information and a list of local offices by calling (800) 736-7401. You may also go to the DWC website at [www.dwc.ca.gov](http://www.dwc.ca.gov).

**You can consult with an attorney.** Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fee will be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at (415) 538-2120 or go to their web site at [www.californiaspecialist.org](http://www.californiaspecialist.org).

por incapacidad temporal son dos tercios de su pago semanal promedio, con cantidades mínimas y máximas establecidas por las leyes estatales. Los pagos no se hacen durante los primeros tres días en que Ud. no trabaje, a menos que Ud. sea hospitalizado una noche o no pueda trabajar durante más de 14 días.

**Regreso al Trabajo:** Para ayudarle a regresar a trabajar lo antes posible, Ud. debe comunicarse de manera activa con el médico que le atiende, el administrador de reclamos y el empleador, con respecto a las clases de trabajo que Ud. puede hacer mientras se recupera. Es posible que ellos coordinen esfuerzos para regresarle a un trabajo modificado, o a otro trabajo, que sea apropiado desde el punto de vista médico. Este trabajo modificado u otro trabajo podría ser temporal o podría extenderse dependiendo de la índole de su lesión o enfermedad.

**Pago por Incapacidad Permanente:** Si el doctor dice que su lesión o enfermedad resulta en una incapacidad permanente, es posible que Ud. reciba pagos adicionales. La cantidad dependerá de la clase de lesión, su edad, su ocupación y la fecha de la lesión.

**Beneficio Suplementario por Desplazamiento de Trabajo:** Si Ud. se lesionó después del 1/1/04 y tiene una incapacidad permanente que le impide regresar al trabajo dentro de 60 días después de que los pagos por incapacidad temporal terminen, y su empleador no ofrece un trabajo modificado o alternativo, es posible que usted reúna los requisitos para recibir un vale no-transferible pagadero a una escuela para recibir un nuevo entrenamiento y/o mejorar su habilidad. Si Ud. reúne los requisitos, el administrador de reclamos pagará los gastos hasta un máximo establecido por las leyes estatales basado en su porcentaje de incapacidad permanente.

**Beneficios por Muerte:** Si la lesión o enfermedad causa la muerte, es posible que los pagos se hagan a los parientes o a las personas que viven en el hogar y que dependían económicamente del trabajador difunto.

**Es ilegal que su empleador** le castigue o despidiera, por sufrir una lesión o enfermedad en el trabajo, por presentar un reclamo o por testificar en el caso de compensación de trabajadores de otra persona. (El Código Laboral sección 132a.) De ser probado, usted puede recibir pagos por pérdida de sueldos, reposición del trabajo, aumento de beneficios y gastos hasta los límites establecidos por el estado.

Ud. tiene derecho a no estar de acuerdo con las decisiones que afecten su reclamo. Si Ud. tiene un desacuerdo, primero comuníquese con su administrador de reclamos para ver si usted puede resolverlo. Si usted no está recibiendo beneficios, es posible que Ud. pueda obtener beneficios del Seguro Estatal de Incapacidad (SDI). Llame al Departamento Estatal del Desarrollo del Empleo (EDD) al (800) 480-3287.

Ud. puede obtener información gratis, de un oficial de información y asistencia, de la División Estatal de Compensación de Trabajadores (*Division of Workers' Compensation - DWC*) o puede escuchar información grabada, así como una lista de oficinas locales llamando al (800) 736-7401. Ud. también puede consultar con la página Web de la DWC en [www.dwc.ca.gov](http://www.dwc.ca.gov).

**Ud. puede consultar con un abogado.** La mayoría de los abogados ofrecen una consulta gratis. Si Ud. decide contratar a un abogado, los honorarios serán tomados de algunos de sus beneficios. Para obtener nombres de abogados de compensación de trabajadores, llame a la Asociación Estatal de Abogados de California (*State Bar*) al (415) 538-2120, ó consulte con la página Web en [www.californiaspecialist.org](http://www.californiaspecialist.org).

## Important Information about Medical Care if you have a Work-Related Injury or Illness

### Initial Written Employee Notification re: Medical Provider Network (Title 8, California Code of Regulations, Section 9767.12)

California law requires your employer to provide and pay for medical treatment if you are injured at work. Your employer has chosen to provide this medical care by using a Workers' Compensation physician network called a Medical Provider Network (MPN). This MPN is administered by **CompWest Insurance Company**. Your employers' workers' compensation carrier is **CompWest Insurance Company**. This notification tells you what you need to know about the MPN program and describes your rights in choosing medical care for work-related injuries and illnesses.

- **What is a MPN?**

A Medical Provider Network (MPN) is a group of health care providers (physicians and other medical providers) used by your employer to treat workers injured on the job. Each MPN must include a mix of doctors specializing in work-related injuries and doctors with expertise in general areas of medicine.

MPNs must allow employees to have a choice of provider(s).

- **How do I find out which doctors are in my MPN?**

The MPN contact listed in this notification will be able to answer your questions about the MPN and will help you obtain a regional list of all MPN doctors in your area. At minimum, the regional listing must include a list of all MPN providers within 15 miles of your workplace and/or residence or a list of all MPN providers within the county where you live and/or work. You may choose which list you wish to receive.

You can get the list of MPN providers by calling the MPN contact or by going to our website at: [http://compwestinsurance.com/MPN\\_search\\_new.html](http://compwestinsurance.com/MPN_search_new.html)

**MPN Contact:** You may always contact the MPN Contact if you need help or an explanation about your medical treatment for your work-related injury or illness.

Name: Karen Blitz, RN, MS, BSN, CCM

Title: Manager, Nurse Case Management

Address: P O Box 12859, Newport Beach, CA 92658

Telephone: 1-888-COMPWEST (1-888-266-7937)

Email: [kblitz@compwestinsurance.com](mailto:kblitz@compwestinsurance.com)

You also have the right to a complete listing of all of the MPN providers upon request.

- **What happens if I get injured at work?**

In case of an emergency, you should call 911 or go to the closest emergency room.

If you are injured at work, notify your employer as soon as possible. Your employer will provide you with a claim form. When you notify your employer that you have had a work-related injury, your employer or insurer will make an initial appointment with a doctor in the MPN.

- **How do I choose a provider?**

After the first medical visit, you may continue to be treated by this doctor, or you may choose another doctor from the MPN. You may continue to choose doctors within the MPN for all of your medical care for this injury. If appropriate, you may choose a specialist or ask your treating doctor for a referral to a specialist. If you need help in choosing a doctor you may call the MPN Contact listed above.

- **Can I change providers?**

Yes. You can change providers within the MPN for any reason, but the providers you choose should be appropriate to treat your injury.

- **What standards does the MPN have to meet?**

The MPN has providers for the entire state of California.

The MPN must give you a regional list of providers that includes at least three physicians in each specialty commonly used to treat work injuries/illnesses in your industry. The MPN must provide access to primary physicians within 15 miles and specialists within 30 miles. If you live in a rural area there may be a different standard.

The MPN must provide initial treatment within 3 days. You must receive specialist treatment within 20 days of your request. If you have trouble getting an appointment, contact the MPN.

- **What if there are no MPN providers where I am located?**

If you are a current employee living in a rural area or temporarily working or living outside the MPN service area, or you are a former employee permanently living outside the MPN service area, the MPN or your treating doctor will give you a list of at least three physicians who can treat you. The MPN may also allow you to choose your own doctor outside of the MPN network. Contact your MPN for assistance in finding a physician or for additional information.

- **What if I need a specialist not in the MPN?**

If you need to see a type of specialist that is not available in the MPN, you have the right to see a specialist outside of the MPN.

- **What if I disagree with my doctor about medical treatment?**

If you disagree with your doctor or wish to change your doctor for any reason, you may choose another doctor within the MPN.

If you disagree with either the *diagnosis* or *treatment* prescribed by your doctor, you may ask for a second opinion from another doctor within the MPN. If you want a second opinion, you must contact the MPN and tell them you want a second opinion. The MPN should give you at least a regional MPN provider list from which you can choose a second opinion doctor. To get a second opinion, you must choose a doctor from the MPN list and make an appointment within 60 days. You must tell the MPN Contact of your appointment date, and the MPN will send the doctor a copy of your medical records. You can request a copy of your medical records that will be sent to the doctor.

If you do not make an appointment within 60 days of receiving the regional provider list, you will not be allowed to have a second or third opinion with regard to this disputed diagnosis or treatment of this treating physician.

# Important Information about Medical Care if you have a Work-Related Injury or Illness

## Initial Written Employee Notification re: Medical Provider Network (Title 8, California Code of Regulations, Section 9767.12)

If the second opinion doctor feels that your injury is outside of the type of injury he or she normally treats, the doctor's office will notify your employer or insurer. You will get another list of MPN doctors or specialists so you can make another selection.

If you disagree with the second opinion, you may ask for a third opinion. If you request a third opinion, you will go through the same process you went through for the second opinion.

Remember that if you do not make an appointment within 60 days of obtaining another MPN provider list, then you will **not** be allowed to have a third opinion with regard to this disputed diagnosis or treatment of this treating physician.

If you disagree with the third opinion doctor, you may ask for an Independent Medical Review (IMR). Your employer or MPN contact person will give you information on requesting an Independent Medical Review and a form at the time you request a third opinion.

If either the second or third opinion doctor agrees with your need for a treatment or test, you will be allowed to receive that medical service from a provider inside the MPN, including the second or third opinion physician.

If the Independent Medical Reviewer supports your need for a treatment or test you may receive that care from a doctor inside or outside of the MPN

- **What if I am already being treated for a work-related injury before the MPN begins?**

Your employer or insurer has a "Transfer of Care" policy which will determine if you can continue being temporarily treated for an existing work-related injury by a physician outside of the MPN before your care is transferred into the MPN.

If you have properly pre-designated a primary treating physician, you cannot be transferred into the MPN. (If you have questions about pre-designation, ask your supervisor). If your current doctor is not or does not become a member of the MPN, then you may be required to see a MPN physician.

If your employer decides to transfer you into the MPN, you and your primary treating physician must receive a letter notifying you of the transfer.

If you meet certain conditions, you may qualify to continue treating with a non-MPN physician for up to a year before you are transferred into the MPN. The qualifying conditions to postpone the transfer of your care into the MPN are in the box below.

### *Can I Continue Being Treated By My Doctor?*

You may qualify for continuing treatment with your non-MPN provider (through transfer of care or continuity of care) for up to a year if your injury or illness meets any of the following conditions:

(Acute) An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a duration of less than ninety days. The treatment for your injury or illness will be completed in less than 90 days.

(Serious or chronic) Your injury or illness is one that is serious and continues for at least 90 days without full cure or worsens and requires ongoing treatment. You may be allowed to be treated by your current treating doctor for up to one year, until a safe transfer of care can be made. Completion of treatment shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the insurer or employer in consultation with the injured employee and terminated provider and consistent with good professional practice. Completion of treatment shall not exceed 12 months from the contract termination date.

(Terminal) You have an incurable illness or irreversible condition that is likely to cause death within one year or less. Completion of treatment shall be provided for the duration of a terminal illness.

(Pending Surgery) You already have a surgery or other procedure that has been authorized by your employer or insurer that will occur within 180 days of the MPN effective date, or the termination of contract date between the MPN and your doctor.

You can disagree with your employer's decision to transfer your care into the MPN. If you don't want to be transferred into the MPN, ask your primary treating physician for a medical report on whether you have one of the four conditions stated above to qualify for a postponement of your transfer into the MPN.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her report on your condition. If your primary treating physician does not give you the report within 20 days of your request, the employer can transfer your care into the MPN and you will be required to use a MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete transfer of care policy for more details on the dispute resolution process.

For a copy of the entire transfer of care policy, ask your MPN Contact.

- **What if I am being treated by a MPN doctor who decides to leave the MPN?**

Your employer or insurer has a written "Continuity of Care" policy that will determine whether you can temporarily continue treatment for an existing work injury with your doctor if your doctor is no longer participating in the MPN.

If your employer decides that you do not qualify to continue your care with the non-MPN provider, you and your primary treating physician must receive a letter of notification.

If you meet certain conditions, you may qualify to continue treating with this doctor for up to a year before you must switch to MPN physicians. These conditions are set forth in the box above, "Can I Continue Being Treated By My Doctor?"

You can disagree with your employer's decision to deny you Continuity of Care with the terminated MPN provider. If you want to continue treating with the terminated doctor, ask your primary treating physician for a medical report on whether you have one of the four conditions stated in the box above to see if you qualify to continue treating with your current doctor temporarily.

Your primary treating physician has 20 days from the date of your request to give you a copy of his/her medical report on your condition. If your primary treating physician does not give you the report within 20 days of your request, the employer can transfer your care into the MPN and you will be required to use a MPN physician.

You will need to give a copy of the report to your employer if you wish to postpone the transfer of your care into the MPN. If you or your employer disagrees with your doctor's report on your condition, you or your employer can dispute it. See the complete Continuity of Care policy for more details on the dispute resolution process.

For a copy of the entire Continuity of Care policy, ask your MPN Contact. (Information on reverse)

- **What if I have questions or need help?**

See MPN Contact Information on reverse.
