*Emergency Response: When you hear a steady siren for 3 to 5 minutes, someone warns you of a disaster, or a disaster occurs without warning... **Tune your radio to 920 AM, 1400 AM, or 98.1 FM or local radio stations for information. PROTECTIVE ACTION** recommendations, if any, will be announced in emergency broadcasts. If you need evacuation assistance during a large-scale emergency, call 543-2444. (This number is active only during major emergencies.)*
