

## ADMINISTRATIVE POLICY

- 1 General Admission Requirements: HUD Properties Project New Visions/Smile Housing Corporation (SHC)
  - 1.1 Only persons who meet the specific requirements of each service area will be admitted to SMILE New Visions Project
  - 1.2 Admission and treatment of candidates will not be affected by the applicants' race, color, creed, gender, gender identity, marital status, sexual orientation, age, religion, ancestry or national origin or any other aspect of identity protected by law.
- 2 General Admission Criteria
  - 2.1 All candidates must be able to benefit from services provided by both OPTIONS Family of Services and meet the income eligibility criteria of the HUD program.
    - 2.1.1 All candidates must be compatible with other persons served who reside in the service area for which they are to be considered.
  - 2.2 Funding for services must be identified prior to final acceptance.
    - 2.2.1 Income eligibility for HUD services must be met prior to final acceptance
  - 2.3 Candidates for all programs must be available for pre-admission visits prior to final acceptance.
  - 2.4 A complete service specific referral packet containing the following information, if applicable, must be submitted for candidates for all programs:
    - 2.4.1 Identified and approved funding sources
    - 2.4.2 Current Individual Program Plan (IPP), Individual Service Plan (ISP) or Individual Education Plan (IEP) (if applicable)
    - 2.4.3 Medical/Neuropsychological and/or Psychological Evaluation detailing disability
    - 2.4.4 Legal status (conservatorship/probation/legal issues, etc.)
    - 2.4.5 Client Development Evaluation Report (CDER) (if applicable)
    - 2.4.6 Ambulatory status
    - 2.4.7 Notification of Known Dangerous Propensities (if applicable)
    - 2.4.8 Any Other Pertinent Information

## ADMINISTRATIVE POLICY

- 2.5 The appropriateness of a candidate's placement as well as compatibility with others will be considered in the selection process. The first 30 days of placement with OPTIONS/SHC are considered probationary and must confirm satisfaction of the entrance criteria.
- 3 Application Procedure
    - 3.1 If the initial referral contact is by telephone, general information will be gathered for the purpose of determining whether the referral is appropriate for any service provided by OPTIONS/SHC.
    - 3.2 The preferred method of submitting a referral packet is to use "The Box" which is a secure electronic data information sharing system. For those who do not have access to this system, the referring agency may send a referral packet in the mail, by password protected e-mail or by fax (marked confidential) to OPTIONS' main office. No further action can be taken until the referral packet is received.
    - 3.3 When the referral packet is received from the referral source, OPTIONS/SHC will review the information and open a file on the referral.
    - 3.4 A referral committee comprised of the Chief Executive Officer, administrative designee, Program Director(s) and/or other relevant personnel will convene as needed to discuss the status of each person currently on referral to OPTIONS/SHC. A referral log will be maintained in a referral file.
    - 3.5 After the referral committee has reviewed a new referral, the referring source will be contacted either by phone, mail or e-mail to convey the committee's decision regarding the referral and to arrange for one of the following actions:
      - 3.5.1 If the referral is deemed potentially appropriate for an OPTIONS/SHC service, additional information may be requested if needed and a pre-admission visit will be scheduled.
      - 3.5.2 If the referral is appropriate for an OPTIONS/SHC service but there are no current openings, additional information will be requested if needed and a pre-admission visit will be scheduled so that all necessary documentation will be on hand when an opening becomes available.
      - 3.5.3 If the referral is not appropriate, the referral source will be contacted and the reasons for denial will be reviewed. Alternative placement resources will be discussed when applicable.
  - 4 Pre-admission Screening Evaluation
    - 4.1 Admission decisions will be based on a preliminary evaluation of the candidate

and will be conducted or updated by members of the referral committee.

4.2 The preliminary evaluation will include, but not be limited to:

4.2.1 Background information.

4.2.2 Current comprehensive functional assessment of developmental, behavioral, social, health and nutritional status.

4.2.3 Identification of specific individual needs, and the services required to meet those needs.

4.2.4 Identification and discussion of dangerous propensities as indicated on the completed Notification of Known Dangerous Propensities form.

4.2.5 OPTIONS/SHC will screen all candidates for admission to ensure that appropriate services can be provided by the organization.

4.2.6 The CEO, Program Director, or administrative designee will conduct pre-admission interviews with the applicant, the candidate's referring and/or funding source case manager, family member(s), and/or advocate, as appropriate.

4.2.7 At the conclusion of the pre-admission interview, OPTIONS/SHC will discuss the outcome with the candidate in person or send a letter or e-mail of the referral status to the applicant and referral source when a decision is made.

4.3 If an applicant meets all general and program specific admission criteria and is deemed appropriate for admission, but no current openings exist, they may be placed on a waiting list until an opening becomes available in the program or service for which they applied. When an opening does become available, the following information will be used to establish priority for admission:

4.3.1 Priority may be provided to persons already receiving services through OPTIONS/SHC who desire a transfer between departments.

4.3.2 Compatibility of the applicant with the persons currently served in the program or service for which the applicant has applied.

4.3.3 Length of time on waiting list. Generally, OPTIONS/SHC will admit the applicant who has been on the waiting list longest although this is program specific and does not apply to all programs.

4.3.4 Current place of residency for candidates seeking admission to one of OPTIONS/SHC residential programs. OPTIONS/SHC generally assigns priority status to applicants already residing in the local Regional Center
