Discharge

Policy No. 300.5.2

Page 1

- 1 Discharge
 - 1.1 Discharge planning begins on the day of admission.
 - 1.2 The ID Team (Clinical Team), including the person served, will participate in the development of the discharge plan.
- 2 Discharge Plan
 - 2.1 Discharge planning will be flexible and change according to the ongoing needs of each person served. The process of planning for discharge will be evaluated at clinical team meetings as needed. At the Sonata home, discharge planning begins at the time of admission and is reviewed periodically due to the short term nature of the program.
 - 2.2 The goal of the planning team is to incorporate the needs and supports necessary to return the person to their prior setting or an agreed upon alternative placement, as deemed appropriate by the interdisciplinary team, to avoid a re-admittance to the Crisis Services.
 - 2.3 The discharge plan will include:
 - 2.3.1 The original reason why a person was referred to the Crisis Services.
 - 2.3.2 The interventions/techniques that were successful at the Crisis Services.
 - 2.3.3 Recommendations which may include: future services, follow-up on interventions/techniques utilized, Medical follow-up, issues/ concerns to monitor.
